

Give your pre-owned vehicle that finishing touch
to protect against life's certainties.

The moment we drive off the lot, our vehicles are constantly exposed to a very harsh environment, including the unsightly (and costly) damage to the paintwork caused by bird & bat droppings. For most of us, protecting the true resale value is important, as is reducing the time, money and effort required to maintain our vehicle and keep it looking good!

Introducing **Plus 5** Car Care

A unique vehicle protection program tailored specifically for pre-owned vehicles aged between 5 and 10 years old.

Vehicle protection that's **in for the long haul!**

DON'T D.I.Y

Leave it to the **Plus 5** professionals!

What's included?

1. Paint Protection
2. Fabric Protection
3. Vinyl Protection
4. Leather Protection (*where applicable*)

PLUS! For a small additional investment, why not add window film?
