

**PROTEKTIV**  
SMOOTH AS GLASS. TOUGH AS NAILS

### KEY BENEFITS

- Abrasion resistant properties
- Helps prevent permanent damage caused by water marks and sunscreen
- Revolutionary high gloss finish
- Resists extremely high temperatures
- Reduces vehicle maintenance
- Keeps your vehicle cleaner for longer
- Protects against damage caused by common environmental contaminants
- UV inhibitors prevent UV induced discolouration and fading
- Professionally applied
- Backed by a National lifetime warranty\*

\* Lifetime warranty terms, conditions and exclusions apply.

THE WORLD'S MOST ADVANCED  
**VEHICLE PROTECTION SYSTEM**  
DESIGNED FOR CARS

SMOOTH AS GLASS

ABRASION RESISTANT  
PROPERTIES

DEEPEST SHINE

TOUGH AS NAILS

CERAMIC & SILICA  
DIOXIDE COMPONENTS

UV PROTECTION

KEEP YOUR CAR LOOKING BRAND  
NEW WITH **PROTEKTIV PAINT  
SURFACE COATING**

### TESTED, PROVEN & CERTIFIED

PROTEKTIV Paint Surface Coating is so outstanding that it's been certified to meet Boeing D6-17487 specification. This means it's been tested, proven and certified to the stringent standards set out for Boeing compatible products.

### BRILLIANT MIRROR FINISH

It's PROTEKTIV's advanced chemical engineering that provides your vehicle with the purest shine, taking 7 days to cure PROTEKTIV contains ceramic silica, the same compound used to create crystal glassware.

**GERMAN ENGINEERED**

**AUSTRALIAN OWNED**

## HOW IT WORKS

PROTEKTIV is manufactured using nano ceramic and silica dioxide, the same material that's used in the glass manufacture process. When applied to your vehicle's exterior surface, it results in a highly reflective and transparent protective layer that offers incredible durability and a reflective rich gloss shine.

Protektiv ingredients then form a precise and uniform layer, giving excellent water and oil repellence, helping prevent stains on the vehicle's paintwork.

And once applied, PROTEKTIV develops a strong chemical bond, cross linking during the curing process. This offers excellent durability, with an incredible level of gloss and reflectivity.

### HELPS PROTECT AGAINST:

- Weather induced:
- Discolouration
- Fading
- Oxidisation
- Loss of gloss
- Water marks
- Sunscreen damage

### + Damage caused by:

- Bird droppings
- Bat droppings
- Tree sap
- Bug splatter

Choose PROTEKTIV and you'll receive a complimentary bottle of High Gloss shampoo to retain that brilliant shine.

## PROTEKTIV DNA GLASS LIKE COATING

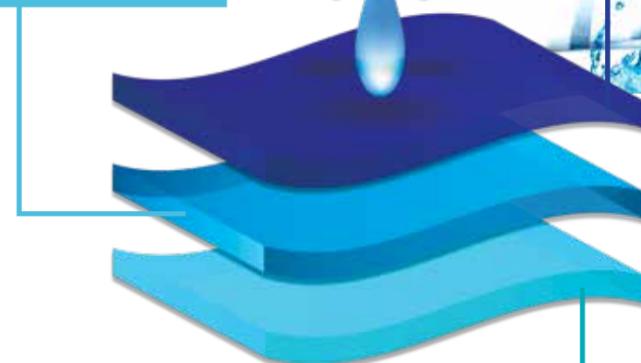

### SILICA DIOXIDE COMPOUNDS

The inclusion of Silica Dioxide provides a self-levelling quality. Nano particles fill the grooves of the porous paint creating a smooth as glass, tough as nails surface. Silica Dioxide also helps create greater light refraction, which creates the appearance of a deeper gloss.

### CERAMIC COMPOUNDS

Ceramic nano particles provide extreme hardness and toughness. The inclusion of Ceramic also provides greater abrasion resistance.

PROTECTS  
AGAINST COMMON  
ENVIRONMENTAL  
CONTAMINANTS

### FUSION PROCESS

When applied to the surface, the carrier particles "flash off" leaving the primary coating on the surface. While the bonding process is instant, PROTEKTIV fully cures up to 7 days after application.

## INTERIOR PROTECTION AHEAD OF THE GAME.

The complete Protektiv program includes 3 superior coatings designed to help maintain the condition of your vehicle, providing you with a permanent solution.

### LEATHER COATING

#### HELPS PROTECT AGAINST:

- Dehydration
- Cracking, splitting and hardening<sup>^</sup>
- Discolouration<sup>^</sup>
- Food stains
- Drink stains
- Make-up
- Sunscreen

### FABRIC & CARPET COATING

#### HELPS PROTECT AGAINST:

- Food stains
- Drink stains
- Discolouration<sup>^</sup>

+ protects against mould and bacteria, with an anti-bacterial system, Bactishield

### VINYL COATING

#### HELPS PROTECT AGAINST:

- Dehydration
- Cracking, splitting and hardening<sup>^</sup>
- Discolouration<sup>^</sup>
- Food stains
- Drink stains
- Make-up
- Sunscreen

### WHY DO YOU NEED INTERIOR PROTECTION?

- Once off application
- No inspections
- Professionally applied
- Helps keep your vehicle cleaner for longer
- Backed by a nationwide lifetime warranty\*
