Convenience

Trade qualified mobile technicians come out to a suitable location on a day and time that suits your lifestyle.

Easy to use mobile app, makes requesting a repair easy and hassle free, no quotes to arrange or phone calls to make.

Save Money

- » No impact on your car insurance
- » No increase in yearly insurance premium due to minor claims
- » No additional car rental charge - we'll be done in a few hours
- » No loss in trade value - due to unsightly dents and scratches caused during every day travels

Peace of mind

Park your car wherever you can... without the worry of careless people opening a car door, or slamming a trolley into your brand new car.

Clear and precise repair guidelines - you know exactly what is included in your membership, no unforeseen repair costs. Most repairs are just \$50 with the option of discounted repairs for damage that falls outside the guidelines. Limited lifetime warranty on all repairs for the term of ownership.#

Friendly, trade qualified technicians that work to our exacting standards, using the latest computerised paint matching technology.

We're the greener option

Traditional techniques used by panel repair shops for painting and blending large areas use substantially more volumes of paint and materials whereas Schmick deploy latest technology equipment on every repair. This ensures less paint, less materials and importantly less waste than traditional repair techniques.

An easy process to book a repair.
