Direct repair costs

Repairing even minor damage in a repair shop is very costly. As a Schmick member, you'll just pay the low membership joining fee and a low member repair fee for all repairs received (Refer to T&C's for repair guidelines).

Insurance

Putting small repairs and blemishes through your insurance company can affect your no claim bonus and result in higher car insurance premiums. We don't offer an insurance product - so our repairs won't affect your claims record or your insurance premiums.

Convenience of mobile repairs
