

Together we have now contributed over \$6M to Cancer Council through the sale of endorsed window tint.

MotorOne

PROTECT YOUR PEOPLE

Protect your loved ones on the go with Cancer Council endorsed window tint.

There's nothing more important than the health and safety of your loved ones. **Your family. Your Friends. Your People.**

Reasons to choose a Cancer Council endorsed window tint.

You'll be making a contribution to Cancer Council that **supports cancer research** and associated services.

Cancer Council endorsed window tints are independently **tested by ARPANSA.**

And, for complete peace of mind, Cancer Council window tints come with a **limited lifetime warranty***.

**MOST
POPULAR**

Our most popular tint. It's the darkest legal tint so if you're looking for maximum protection with a stylish edge, choose **Dark Night**.

- Dramatically **reduces UV exposure** associated with increased risk of skin cancer.
- **UPF 50+ protection** from harmful UV rays.
- You'll be cooler with **up to 60% solar heat rejection**.
- You'll drive more safely with up to **60% glare reduction**.
- Helps **hold shattered glass** together in the event of an accident.

**INVISIBLE
PROTECTION**

Want the benefits of window film but not tinted look? **UV Clear provides near 'invisible protection'** without the tinted window look.

- **UPF 50+ protection** from harmful UV rays.
- Dramatically **reduces UV exposure** associated with the risk of skin cancer.
